HCOE Education at Work and

Student Events: HCOE

Education at Work and Student Events would like to invite you to view the annual Gary Robert's Industrial Technology Showcase of Excellence 2020 in its first ever VIRTUAL format.

Traditionally this event takes place in late May or early June as a way to celebrate high school Industrial Technology students in woodworking, metal, architectural design/drafting, industrial prototyping, and automotive technology. Students are nominated based on passion for their trade, pride in workmanship, innovation, and work ethic.

This year teachers were encouraged to submit projects/students they wanted to showcase "virtually".

A big thanks for those teachers who participated!

Please take a moment to view the slideshow and celebrate the excellent work of the teachers and students in

A Message from the Humboldt County Farm Bureau President: Johanna Rodoni

As you read about Farm Bureau's Scholarship Program in this issue, I just want to express how impressed I was with our scholarship applicants. Reading their stories was truly inspirational to me and validates my positive outlook on the future of agriculture in our country. Humboldt County is well represented by a remarkable group of young men and women.

Farm Bureau Board of Directors member, Amy Bohner, wrote a great article in Sunday's Times Standard titled "Married with Business." It's on the front page of the Business Section and describes her experience as a co-owner/partner of two businesses with her husband. I encourage you to read it. It's both motivating and funny.

these wonderful programs. <https://hcoe.org/it-showcase/2020-slideshow/>

Dairy Princess Contest to take place....virtually.

The 2020 District 1 Dairy Princess is being held on Thursday, June 4th. Like most events recently, the contest will be a virtual event.

This year's contestants are:

Lily Nord, daughter of Jay and Tracy Nord of Eureka is a junior at Eureka High School. Lily plans to attend a four-year university and major in Nursing.

Taylor Woodbury, daughter of Derek and Carrie Woodbury of Fortuna is a junior at Fortuna Union High School. Taylor plans to pursue a degree in Nursing, specializing in pediatrics and oncology.

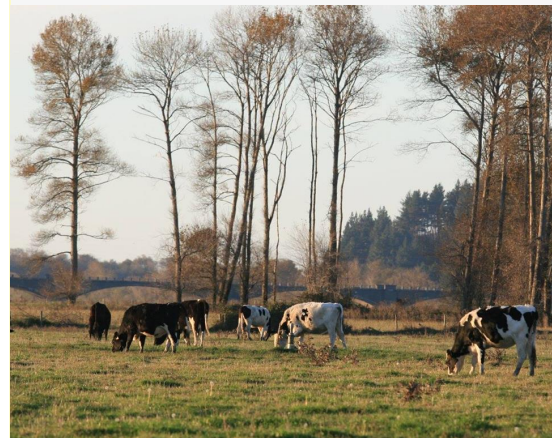

Brianna Rimmey, daughter of Chris and Joann Rimmey of Ferndale is senior at Ferndale High School. Brianna plans to attend C/R to study either Animal Science or Ag Business before transferring to a four-year university.

Cadence Lommori, daughter of Mike and Jamie Lommori of Rio Dell is a

The Spring rains are making me very happy. Of course, I probably wouldn't feel that way if I had cut, unbaled hay in my fields. Hope you are enjoying the rain as well.

We at Farm Bureau welcome suggestions from you to include in future newsletters. You can call or email the office and let our Executive Director know. humboldtfb@sbcglobal.net

Happy trails.

HUMBOLDT COUNTY FARM BUREAU SCHOLARSHIPS AWARDED:

The Humboldt County Farm Bureau Scholarship Committee has finalized the scholarship awards being presented to high school senior graduates and returning college students that attended a Humboldt County high school. A total of 53 applications were received and 98% were awarded funding. Over the next few newsletters, we will be introducing you to the winners!

The **Ike Moxon Memorial Scholarship** was established in 2018. Ike grew up on the

junior at Fortuna High School. Cadence plans to pursue a degree in either Animal Science, Ag Education or Ag Communications.

Megan Dixon, daughter of Brennan and Sara Dixon of Fortuna is a junior at Fortuna Union High

School. She plans to pursue a degree in Ag Business with a minor in Environmental Science.

Hannah Haraldson, daughter of Joel and Elsa Haraldson of Eureka is a junior at Eureka Senior High School. Her long-term career goal is to become a Pediatric Physician.

The young lady crowned as Dairy Princess will represent the dairy industry in Humboldt and Del Norte counties. She will serve the area as ambassador for the dairy industry to various audiences.

The newly selected princess and her alternates will participate in training week, provided by the California Milk Advisory Board (CMAB), in which they receive professional development coaching.

family dairy in Arcata, CA where he spent 71 years in agriculture. He was especially proud of his role in helping agricultural students with educational opportunities in their chosen field. He was a strong supporter of Humboldt County Farm Bureau and served as a Board member for many years. Emphasis of this scholarship will be towards students majoring in the Agriculture fields. Multiple scholarships may be awarded and vary in size. Humboldt County Farm Bureau and the Humboldt Area Foundation are partners in this scholarship program.

The recipients of the Ike Moxon Memorial Scholarship are:

Isabella Giraud, attending Oregon State Univ. as an Ag Science major.

Madeline Holmes, attending Chico State Univ. as an Ag Business major.

Congratulations Isabella & Madeline!
